

SARAH BRAYNE

The University of Texas at Austin
Department of Sociology
305 E 23rd St, A1700, RLP 2.408J
Austin, TX 78712

EDUCATION

Ph.D., Sociology and Social Policy, Princeton University, Princeton, NJ	2015
M.A., Sociology, Princeton University, Princeton, NJ	2012
B.A., Sociology, University of British Columbia, Vancouver, BC, Canada	2008

PROFESSIONAL APPOINTMENTS

University of Texas at Austin	2016 – present
Assistant Professor, Department of Sociology	
Faculty Scholar, Population Research Center (PRC)	
Microsoft Research New England	2015 – 2016
Postdoctoral Researcher	

PUBLICATIONS

Books

Brayne, S. 2020. *Predict and Surveil: Data, Discretion, and the Future of Policing*. New York, NY: Oxford University Press.

Translation (Russian). **Brayne, S.** In press, expected 2021. [Predict and Surveil: Data, Discretion, and the Future of Policing.] Moscow, Russia: EKSMO Publishing House of Moscow.

Reviews: *Science*, *Kirkus Reviews*, *London School of Economics Review of Books*, *Information Polity*, *Criminal Law and Criminal Justice Books*, *Surveillance and Society*, *The New Rambler*

Honorable Mention, Law and Society Association Herbert Jacob Book Prize

“The 8 Best Books about Artificial Intelligence to Read Now,” *WIRED*

“Best Science Books of 2020,” *Science Friday*

Peer-Reviewed Journal Articles

Brayne, S. and A. Christin. 2020. “Technologies of Crime Prediction: The Reception of Algorithms in Policing and Criminal Courts.” *Social Problems* 68(3): 608-624.

Brayne, S. 2018. “The Criminal Law and Law Enforcement Implications of Big Data.” *Annual Review of Law and Social Science* 14: 293-308.

AWARDS AND HONORS

- | | |
|------|---|
| 2021 | President's Associates Teaching Excellence Award, The University of Texas at Austin |
| 2019 | Raymond Dickson Centennial Endowed Teaching Fellowship, The University of Texas at Austin |
| 2018 | Article Prize in Sociology of Law for "Big Data Surveillance: The Case of Policing," American Sociological Association |
| 2018 | Article Prize for Exceptional Scholarship in Socio-Legal Studies for "Big Data Surveillance: The Case of Policing," Law and Society Association |
| 2016 | Special Recognition for Teaching Excellence from Services for Students with Disabilities, The University of Texas at Austin |
| 2016 | Outstanding Article Award for "System Avoidance: Criminal Justice Contact and Institutional Attachment," American Society of Criminology |

- 2016 Graduate Student Paper Award in Sociology of Law for “Stratified Surveillance: Policing in the Age of Big Data,” American Sociological Association
- 2016 Graduate Student Paper Award in Crime, Law and Deviance for “Stratified Surveillance: Policing in the Age of Big Data,” American Sociological Association
- 2014 Trustees Special Award for Most Outstanding Project, Horowitz Foundation for Social Policy
- 2012 Graduate Student Paper Award in Crime, Law, and Deviance for “Surveillance and System Avoidance: Criminal Justice Contact and Institutional Attachment,” American Sociological Association
- 2012 Gene Carte Student Paper Award (Third Place) for “Surveillance and System Avoidance: Criminal Justice Contact and Institutional Attachment,” American Society of Criminology
- 2007 Kaspar Naegele Award, University of British Columbia
- 2007 Arts Dean’s Student Leadership Award, University of British Columbia

FUNDING

External Research Funding

Horowitz Foundation for Social Policy

PI: Brayne, S. “Stratified Surveillance: Policing in the Age of Big Data.” 2014
Total funding: \$12,500

Social Sciences and Humanities Research Council of Canada

PI: Brayne, S. “Doctoral Fellowship.” 2011-2013
Total funding: \$40,000 CAD

Internal Research Funding

University of Texas at Austin

Population Research Center Seed Grant

PI: Brayne, S. “Media Coverage of Police Violence, Race, and Protest.”
Total funding: \$20,603 2020-2021

Vice President Research, Research and Creative Grant

PI: Brayne, S. "Policing Data: Surveillance and Prediction in the Digital Age."
Total funding: \$7,900 2018

College of Liberal Arts, Summer Research Assignment

PI: Brayne, S. "Policed: Surveillance and Prediction in the Age of Big Data." 2018
Total funding: Two months of summer salary

Princeton University

Fellowship of the Woodrow Wilson Scholars

Total funding: Two years of tuition and stipend 2013-2015

Center for Information Technology Policy, Graduate Scholarship

PI: Brayne, S. "Stratified Surveillance: Policing in the Age of Big Data." 2014
Total funding: \$500

Dean's Fund for Scholarly Travel

Total funding: \$2,000 2010-2014

Department of Sociology, Graduate Fellowship

Total funding: Five years of tuition and stipend 2009-2014

Center for Health and Wellbeing,

U.S. Health Care and Health Policy Research Grant

Total funding: \$4,815 2013

Department of Sociology, Dissertation Grant

PI: Brayne, S. "Stratified Surveillance: Policing in the Age of Big Data." 2013
Total funding: \$1,000

Program in Social Policy, Travel Grant

Total funding: \$300 2012

University of British Columbia

Undergraduate Scholars Program

Total funding: \$10,000 2003-2007

Other External Funding

Austin Community Foundation; Account 26-7533-16xx

PI: Brayne, S. "Texas Prison Education Initiative (TPEI)." 2019-2022
Total funding: \$2,000 (in addition to \$51,902 raised from private donations)

PRESENTATIONS

(*Remote due to COVID-19)

Invited Talks

- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Digital Relations Workshop on Prediction in Algorithmic Society, Leibniz Universität Hannover. Hannover, Germany. (Scheduled Fall 2021).*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” ALGOPOL Project, Utrecht University. Utrecht, Netherlands. (Scheduled Fall 2021).*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Judith Reppy Institute for Peace and Conflict Studies (PACS) and the Gender and Security Sector Lab, Cornell University. Ithaca, NY. September 2021.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Panel on Effective Oversight through Innovations in Technology, National Association for the Civilian Oversight of Law Enforcement. Tucson, AZ. August 2021.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Committee on Responsible Computing Research, National Academies of Sciences, Engineering, and Medicine. Washington, DC. March 2021.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Center for Information Technology Policy, Princeton University. Princeton, NJ. February 2021.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Center for Digital Humanities, Princeton University. Princeton, NJ. February 2021.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Urban School, Sciences Po. Paris, France. February 2021.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Max Plank Institute for Social Anthropology. Halle (Saale), Germany. February 2021.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” eScience Institute, Department of Human Centered Design and Engineering, Information School, and Science, Technology and Society Studies Program, University of Washington. Seattle, WA. February 2021.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Science, Technology, and Society Program, Tufts University. Medford, MA. February 2021.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Research Center for Work, Technology and Organization, EMLYON Business School. Écully, France. February 2021.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Workshop on Culture, Power, and History, University of Georgia. Athens, GA. February 2021.*

- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Department of Sociology, Hong Kong Baptist University. Kowloon, Hong Kong. February 2021.*
- “Texas Prison Education Initiative (TPEI).” Prison Education Project, Washington University in St. Louis. St. Louis, MO. February 2021.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Wilson Center for Science and Justice, Duke University Law School. Durham, NC. January 2021.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Institute for Social and Economic Research and Policy in the Faculty of Arts and Sciences, Sociology of Algorithms Workshop, Columbia University. New York, NY. December 2020.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Harvard Club of New York. New York, NY. December 2020.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Department of Sociology, University of California, Berkeley. Berkeley, CA. November 2020.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” History, Culture, and Society Workshop, Harvard University. Cambridge, MA. November 2020.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” American Society of Criminology, Presidential Panel on Collateral Consequences of Science and Technology. Columbus, Ohio. (Scheduled November 2020, cancelled due to COVID-19).
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Department of Sociology, State University of New York at Buffalo. Buffalo, NY. November 2020.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Committees on Law and Justice, National Academies of Sciences, Engineering, and Medicine. Washington, DC. October 2020.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Media as SocioTechnical Systems Group, University of Southern California. Los Angeles, CA. October 2020.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Childress Symposium, Saint Louis University School of Law. St. Louis, MO. October 2020.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Welcome Lecture to Incoming Fall 2020 UT Students and Faculty, The University of Texas at Austin. Austin, TX. August 2020.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” College of Liberal Arts E-Talk, The University of Texas at Austin. Austin, TX. August 2020.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Reimagining/Reinventing Police, University of Chicago. Chicago, IL. July 2020.*

- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Policing, Race and Power: Critical Perspectives on Our Current Crisis, University of Chicago. Chicago, IL. June 2020.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Summer Institute in Computational Social Science, University of California, Los Angeles. Los Angeles, CA. June 2020.*
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Microsoft Research New England. Cambridge, MA. (Scheduled March 2020, postponed due to COVID-19).
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Center for Empirical Research on Stratification and Inequality, Yale University. New Haven, CT. (Scheduled March 2020, postponed due to COVID-19).
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” Human-Machine Intelligence Group, University of Virginia. Charlottesville, VA. March 2020.
- “Predict and Surveil: Data, Discretion, and the Future of Policing.” National Association of Civilian Oversight of Law Enforcement Academic Symposium (keynote speaker). Austin, TX. March 2020.
- “Big Data Surveillance.” TEXAS Development, The University of Texas at Austin. Austin, TX. December 2019.
- “Surveillance.” Dean’s Circle, The University of Texas at Austin. Austin, TX. October 2019.
- “Texas Prison Education Initiative (TPEI).” Division of Diversity and Community Engagement, Project MALES, The University of Texas at Austin. Austin, TX. April 2019.
- “Policing Data.” Department of Sociology, Harvard University. Cambridge, MA. March 2019.
- “Policing Data.” Organizational Behavior Seminar, Stanford University. Palo Alto, CA. March 2019.
- “Police Pushback: Contestation of and Resistance to Big Data.” Policing, Inequality, and Law Colloquium, New York University. New York, NY. March 2019.
- “Policing Data.” Department of Sociology Ethnography Incubator, University of Chicago. Chicago, IL. February 2019.
- “Policing Data.” Department of Sociology, Duke University. Durham, NC. October 2018.
- “Police Surveillance in the Age of Big Data.” Neil Weiner Research Speaker Series, Vera Institute of Justice. New York, NY. March 2018.
- “Police Use and Reception of Big Data Analytics.” Department of Criminology, University of Pennsylvania. Philadelphia, PA. February 2018.
- “Police Surveillance in the Age of Big Data.” National Association of Criminal Defense Attorneys. Washington, DC. Remote. December 2017.

- “Police Surveillance in the Age of Big Data.” Palantir Technologies. Palo Alto, CA. November 2017.
- “Big Data Policing.” Moritz College of Law Roundtable on Big Data and Criminal Justice, The Ohio State University. Columbus, OH. September 2017.
- “Public Data Access.” Institute for Information Policy and Law, Rutgers University. Camden, NJ. September 2017.
- “Dragnet and Directed Surveillance.” AI Now Symposium, MIT Media Lab, Massachusetts Institute of Technology. Cambridge, MA. July 2017.
- “Policing the Digital City.” “Future Cities” Symposium, Department of Civil, Architectural, and Environmental Engineering, The University of Texas at Austin. Austin, TX. April 2017.
- “Police Use of Big Data.” Malcolm Weiner Center for Social Policy invited conference on “Research for Reform,” Harvard University. Cambridge, MA. May 2016.
- “Police Use of Big Data.” eScience Institute, University of Washington. Seattle, WA. May 2016.
- “Unintended Consequences of Predictive Analytics in Law Enforcement.” Robert L. Bernstein Institute for Human Rights invited conference on “Tyranny of the Algorithm? Predictive Analytics and Human Rights,” New York University School of Law. New York, NY. March 2016.
- “The Promise of Prediction: Policing in the Age of Big Data.” Institute for Work and Employment Research, MIT Sloan School of Management, Massachusetts Institute of Technology. Cambridge, MA. February 2016.
- “Stratified Surveillance: Policing in the Age of Big Data.” Department of Sociology, University of British Columbia. Vancouver, Canada. October 2015.
- “Surveillance and System Avoidance: Criminal Justice Contact and Institutional Attachment.” Designing the Digital Economy Conference, Microsoft Research New England. Cambridge, MA. October 2015.
- “Who’s Watching Who? Police Cameras, Civil Rights, and Public Safety.” New America Foundation and Howard University. Washington, DC. May 2015.
- “Stratified Surveillance: Policing in the Age of Big Data.” Data & Society Research Institute. New York, NY. February 2015.
- “Stratified Surveillance: Policing in the Age of Big Data.” Department of Sociology, University of Washington. Seattle, WA. December 2014.
- “Stratified Surveillance: Policing in the Age of Big Data.” Department of Sociology, The University of Texas at Austin. Austin, TX. November 2014.
- “Stratified Surveillance: Policing in the Age of Big Data.” Department of Sociology, University of California, Davis. Davis, CA. November 2014.
- “Stratified Surveillance: Policing in the Age of Big Data.” Department of Sociology, Brown University. Providence, RI. November 2014.

- “Stratified Surveillance: Policing in the Age of Big Data.” Department of Sociology, University of Chicago. Chicago, IL. November 2014.
- “Stratified Surveillance: Policing in the Age of Big Data.” Gerald R. Ford School of Public Policy, University of Michigan. Ann Arbor, MI. November 2014.
- “Stratified Surveillance: Policing in the Age of Big Data.” Department of Sociology, University of Colorado. Boulder, CO. November 2014.
- “Stratified Surveillance: Policing in the Age of Big Data.” Department of Sociology, Northwestern University. Evanston, IL. November 2014.
- “Stratified Surveillance: Policing in the Age of Big Data.” Criminology, Law and Society, George Mason University. Fairfax, VA. November 2014.
- “Stratified Surveillance: Policing in the Age of Big Data.” Department of Sociology and Anthropology, North Carolina State University. Raleigh, NC. November 2014.
- “Stratified Surveillance: Policing in the Age of Big Data.” Department of Sociology, University of Massachusetts Amherst. Amherst, MA. November 2014.
- “Stratified Surveillance: Policing in the Age of Big Data.” Department of Sociology, University of Toronto. Toronto, Canada. October 2014.
- “Surveillance and System Avoidance: Criminal Justice Contact and Institutional Attachment.” Emergency Medicine Research Group, University of Pennsylvania. Philadelphia, PA. November 2012.

Conference Presentations

- “*Predict & Surveil and Digital Punishment*,” Author Meets Reader Session (author), Law and Society Association Annual Meeting. Amherst, MA. May 2021.*
- “Technologies of Crime Prediction: Comparing the Reception of Big Data Analytics in Policing and Courts” (with Angèle Christin). American Sociological Association Annual Meeting. Philadelphia, PA, August 2018.
- “Legal Implications of Big Data Policing.” Law and Society Association Annual Meeting. Toronto, Canada. May 2018.
- “Legal Implications of Police Use of Big Data.” Privacy Law Scholars Conference. Washington, DC. May 2018.
- “Police Use of Big Data: Implications for Law and Inequality.” American Sociological Association Annual Meeting. Montreal, Canada. August 2017.
- “Technologies of Crime Prediction: Comparing the Use of Big Data Analytics in Policing and Courts” (with Angèle Christin). Law and Society Association Annual Meeting. Mexico City, Mexico. June 2017.
- “*Making Things Stick: Surveillance Technologies and Mexico’s War on Crime*,” Author Meets Reader Session (reader, with author Keith Guzik), Law and Society Association Annual Meeting. Mexico City, Mexico. June 2017.”

- “Police Use of Big Data” (poster). Population Association of America Annual Meeting. Chicago, IL. April 2017.
- “Police Conflict Over the Use of Big Data.” American Sociological Association Annual Meeting. Seattle, WA. August 2016.
- “Predictive Policing and Digital Surveillance.” American Sociological Association Annual Meeting. Seattle, WA. August 2016.
- “Police Contestation of the Use of Big Data.” Law and Society Association Annual Meeting. New Orleans, LA. May 2016.
- “Surveillance and System Avoidance: Criminal Justice Contact and Institutional Attachment.” Designing the Digital Economy Conference, Microsoft Research New England. Cambridge, MA. October 2015.
- “Stratified Surveillance: Policing in the Age of Big Data.” Law and Society Association Annual Meeting. Seattle, WA. May 2015.
- “Stratified Surveillance: Policing in the Age of Big Data.” American Sociological Association Annual Meeting. San Francisco, CA. August 2014.
- “Criminal Justice Surveillance and Police Use of Big Data.” Law and Society Association Annual Meeting. Minneapolis, MN. May 2014.
- “Surveillance and System Avoidance: Criminal Justice Contact and Institutional Involvement” (roundtable). American Sociological Association Annual Meeting. New York, NY. August 2013.
- “Surveillance Beyond the Criminal Justice System: The Case of Medical Care.” Law and Society Association Annual Meeting. Boston, MA. August 2013.
- “Surveillance and System Avoidance: Criminal Justice Contact and Institutional Involvement.” Population Association of America Annual Meeting. New Orleans, LA. April 2013.
- “Surveillance Beyond the Criminal Justice System.” Eastern Sociological Society Annual Meeting. Boston, MA. March 2013.
- “Perceiving the Crime Problem: Racial Heterogeneity and Police Spending.” Law and Society Association Annual Meeting. Honolulu, HI. May 2012.
- “Perceiving the Crime Problem: Racial Heterogeneity and Police Spending.” Eastern Sociological Society Annual Conference. New York, NY. March 2012.
- “System Avoidance: Criminal Justice Contact, the Fear of Surveillance and Institutional Involvement.” Law and Society Annual Meeting. San Francisco, CA. May 2011.
- “System Avoidance: Criminal Justice Contact, the Fear of Surveillance and Institutional Involvement.” Eastern Sociological Society Annual Meeting. Philadelphia, PA. March 2011.
- “Broken Windows, Broken Promises: An International Analysis of Urban Police Policy.” Multidisciplinary Undergraduate Research Conference, University of British Columbia. Vancouver, Canada. March 2007.
