EDUCATION

PhD Princeton University, 2015. Public Affairs & Demography.

Fields: Demography, Development

MPA Princeton University, 2010.

Field: Development Studies.

B.A. Sociology, Villanova University, 2006.

B.A. Honors Program [Letters], Villanova University, 2006.

Concentration: Peace & Justice Studies. *Minors:* French, Spanish.

PROFESSIONAL EXPERIENCE

2017 - : Assistant Professor. Sociology & Population Research Center, University of Texas, Austin.

2015 - : Visiting Researcher. Indian Statistical Institute, Delhi.

2015 - 2016 : Visiting Fellow. Woodrow Wilson School of Public & International Affairs, Princeton.

2013 - : founding Executive Director. r.i.c.e., a research institute for compassionate economics.

2011 - 2015: Visiting Researcher. Centre for Development Economics, Delhi School of Economics.

BOOK

Coffey, Diane and Dean Spears. 2017. *Where India goes: Abandoned toilets, stunted development, and the costs of caste.* Harper Collins.

book prize: 2017 Joseph W. Elder Prize in the Indian Social Sciences from the American Institute of Indian Studies (AIIS)

media attention: National Geographic, The Economist, Foreign Policy, Mid-day, Nikkei Asian Review, The Indian Express, IndiaSpend, The Hindu, Hindustan Times, Business Standard, The Caravan, Huffington Post, National Herald, The Wire, Velivada, Marginal Revolution, Youth Ki Awaas, Stanford Social Innovation Review

RESEARCH GRANTS & ACADEMIC HONORS

Assessing the promise of mobile phone surveys for measuring gender inequality, empowerment, & other forms of social inequality. National Data Innovation Centre, National Council for Applied Economic Research. \$20,400 2019-2020, co-PI with Amit Thorat.

Gender and mental health in Bihar and India. International Growth Centre. £34,700 2019-2020, co-PI with Amit Thorat.

Evidence, Solutions, Advocacy, and Collaboration for India's sanitation sector. Bill & Melinda Gates Foundation center grant to r.i.c.e. \$1,679,446 2015-2021.

The Annual Health Survey of maternal and child outcomes. Seed funding for data preparation from the Population Research Center, UT Austin. \$5,500. 2018.

Promoting Latrine Use in Rural India Thematic Window. A partnership between r.i.c.e., zie, and the Bill & Melinda Gates Foundation to support six randomized trials of behavior change interventions to improve latrine use in rural India. June, 2016 - June, 2019.

Prize for Faculty Research by UT Austin's Population Health Initiative. 2017.

Joseph W. Elder Book Prize in the Indian Social Sciences from the American Institute of Indian Studies. 2017.

Jeroen Ensink Memorial Prize by the journal *Waterlines*. 2016.

“Promoting latrine use in rural Tamil Nadu.” A partnership between J-PAL and the Government of Tamil Nadu. \$70,000 2015-2016, co-PI with Dean Spears, Sandip Sukhtankar, and Sangita Vyas.

“The nutritional value of toilets: Impacts of sanitation on child and maternal health.” National Institutes of Health, NICHD. R03-HD081209 \$116,005 2014-2016, co-investigator with Michael Geruso and Dean Spears.

Westoff Prize in Demography, Office of Population Research, Princeton University, 2014.

Yun Kim & Harold Kim Graduate Fellow in Public & International Affairs, 2013-2015.

“Switching to sanitation in South Asia: A study of health technology adoption.” £10,000. International Growth Centre 2013-2014, lead investigator.

“Research on the Relationship of Population Density and Neighborhood-Level Sanitation Access to Fecal-Associated Health Impacts.” USAID TRAction 2013-2014, consultant.

Bill & Melinda Gates Foundation center grant to r.i.c.e. for sanitation research. \$260,000 2013-2015.

The Ryoichi Sasakawa Young Leaders Fellowship Fund (Sylff Fellowship), 2011-2013.

Dorothy Day Thomas Merton Award, Villanova University, 2006.

Truman Scholarship, 2005.

Villanova University Presidential Scholarship, 2002-2006.

TEACHING

Professional development: Papers, presentations & publishing. one week workshop, Indian Statistical Institute, Delhi. October, 2017.

Introduction to Social Statistics. Sociology Department, UT Austin. Spring, 2017, 2018, 2019.

Graduate Training Seminar. Population Research Center, UT Austin. Spring, 2017.

Survey research & experimental methods using survey research. one week workshop, Indian Statistical Institute, Delhi. November, 2016.

Econometrics and Public Policy: Basic. Woodrow Wilson School, Princeton University. Spring, 2016.

Qualitative Methods for Research and Evaluation. Woodrow Wilson School, Princeton University. Spring, 2016.

How to write descriptions & decompositions using Stata. one week workshop, Indian Statistical Institute, Delhi. November, 2015.

Statistics for Policy Professionals, Woodrow Wilson School, Princeton University. Summer, 2014, 2015.

Teaching assistant for Stephen Macedo, Woodrow Wilson School 370: Ethics and Public Policy, Princeton University, Fall 2012.

Teaching assistant for Manisha Shah, Woodrow Wilson School 562c: Development Economics (advanced), Princeton University, Spring, 2011.

Teaching assistant for Jeffrey Hammer, Woodrow Wilson School 562b: Development Economics (basic), Princeton University, Spring, 2011.

Co-instructor, College English. Edna Mahan Correctional Facility, Clinton, NJ, Spring, 2008.

SERVICE

Served on the Hamilton Book Awards Review Committee, Office of the Vice President for Research, UT Austin. Spring, 2019.

Served on the Foreign Language & Area Studies (FLAS) Fellowship selection committee, South Asia Institute, UT Austin. Spring, 2019.

Organized the Brown Bag Seminar Series, Population Research Center, UT Austin. Spring, 2017.

FIELD RESEARCH & SURVEY PROJECTS

Survey of rural sanitation and solid fuel use. 2018. with r.i.c.e.

A panel survey of 1,560 households and 9,800 individuals in Uttar Pradesh, Madhya Pradesh, Rajasthan, and Bihar to estimate changes in rural open defecation and solid fuel use since 2014. Qualitative interviews were performed with over 150 local officials to understand implementation of the Swacch Bharat Mission.

SARI: Social attitudes research for India. 2015 - present. with Amit Thorat.

A mobile phone survey about caste, gender, and religious discrimination and social progress in India.

Maternal & newborn anthropometry in rural Uttar Pradesh. 2013-2015.

A health survey of over 4,500 births in a large public hospital.

SQUAT: Sanitation, quality, use, access, and trends. 2013-2014. with r.i.c.e.

A survey of 3,500 households and 23,000 individuals in rural Haryana, Uttar Pradesh, Madhya Pradesh, Rajasthan, and Bihar focusing on sanitation beliefs and behaviors.

Switching to sanitation. 2013-2014. with r.i.c.e.

A qualitative study of latrine adoption and non-adoption among 100 households in Haryana, Uttar Pradesh, Gujarat, and southern Nepal.

Field research on child development in rural Uttar Pradesh. 2012 - 2016.

A multi-year qualitative project following the health & well-being of 25 infants born in three villages of rural Uttar Pradesh in winter, 2012.

Short term migration, labor markets and the National Rural Employment Guarantee in rural Northwest India. 2010. with John Papp.

A migration and livelihoods survey of 700 households and 2,200 adults in the Bhil region of Rajasthan, Madhya Pradesh & Gujarat.

CONFERENCE PRESENTATIONS & INVITED LECTURES

"The Association between Neonatal Death and Facility Birth in Regions of India." Population Association of America Annual Meeting, Poster session 6, Austin, April 2019.

"Measurement of open defecation in rural India: A survey experiment." Population Association of America Annual Meeting, Session 1009, Austin, April 2019.

"Neonatal death in India: The effect of birth order in a context of maternal undernutrition." Population Association of America Annual Meeting, Session 408, Austin, April 2019.

"Neonatal death in India: The effect of birth order in a context of maternal undernutrition." LBJ School PhD and Faculty Colloquium, UT Austin, 21 February 2019.

"Neonatal death in India: The effect of birth order in a context of maternal undernutrition." Population Research Center Seminar Series, UT Austin, 08 February 2019.

"Neonatal death in India: The effect of birth order in a context of maternal undernutrition." Colloquium, Demography Unit, Department of Sociology, Stockholm University, Sweden, November 2018.

"Child height in India: Facts and interpretations from the NFHS-4, 2015-16." Video recorded for conference on Strengthening Actions for Nutrition in India: Insights from the National Family Health Survey, Delhi, India, September, 2018.
