### ACADEMIC POSITIONS

Professor, Dept. of Linguistics, UT Austin	2022 – present
Associate Professor, Dept. of Linguistics, UT Austin	2005 – 2022
Assistant Professor, Dept. of Linguistics, UT Austin	1999 – 2005
Assistant Professor, Dept. of Linguistics, U. North Carolina at Chapel Hill	1994 – 1999
Visiting scholar, Dept. of Linguistics, Rice University	Spring 1997
Assistant Professor, Dept. of Linguistics, Yale University	1993 – 1994
Lecturer, Dept. of Linguistics, UT Austin	1992 – 1993

### EDUCATION

Postdoctoral Associate, Linguistics, The University of Texas, Austin, TX	1991 – 1993
Ph.D., Linguistics, University of Arizona, Tucson, AZ	1991
Visiting junior researcher, Max Planck Institute for Psycholinguistics, Nijmegen, NL	Spring 1990
M.A., Linguistics, University of Arizona, Tucson, AZ	1989
B.A. (Hons.), Linguistics, University of British Columbia, Vancouver, Canada	1985

### RESEARCH EMPHASES

- Since 2010: Laboratory Phonology with a focus on the influence of acoustic cues to prominence on the perception of prosodic contrasts and learning of word- and phrase-level prosodic patterns. Crosslinguistic studies with native speakers of English, Spanish and Zapotec.
  - Before 2010: Theoretical phonology, Optimality Theory and prior frameworks.
-

## AWARDS AND GRANTS

### MAJOR GRANTS

September, 2021. An artificial language learning study of the natural relationship between edge alignment and quantity sensitivity in stress patterning. National Science Foundation. (Total funding awarded: \$390,536.)

March, 2012. Beyond the Iambic/Trochaic Law: Perceptual influences on the subjective grouping of rhythmic speech. National Science Foundation award BCS-1147959 to the U. of Texas at Austin, PI Megan Crowhurst. (Total funding awarded: \$196,999; Year 1 - \$98,198; Year 2 - \$98,801.)

1997 – 2001. National Science Foundation award BCS-9603215 to the U. of North Carolina at Chapel Hill, PI Megan Crowhurst, to support linguistic field research in Bolivia. (Total funding awarded: \$142,709.)

1991 – 1993, Social Sciences and Humanities Research Council of Canada, Postdoctoral Fellowship (\$55,000 Canadian).

1988 – 1990, Social Sciences and Humanities Research Council of Canada, Doctoral Fellowship (\$25,000 Canadian).

### OTHER AWARDS AND GRANTS

2018 National Science Foundation award #9603215 BCS-1824145 Doctoral Dissertation Research: Plain, Emphatic and Pharyngeal Consonants in Palestinian Arabic. PI Megan Crowhurst, for Laura Faircloth's research. (Proposal written by Laura Faircloth.)

2018-2021 Editorial Assistantship, COLA, The University of Texas at Austin. (\$4,000 each year.)

2001, 2011, 2017 College Research Fellowship, COLA, The University of Texas at Austin.

2010 Vice President for Research, Special Research Grant, The University of Texas at Austin. (\$750).

2002, 2010 Research grant, COLA, The University of Texas at Austin. (\$3,000).

2000 Research Grant, Office of the Vice President for Research, UT (\$6,000).

2000 Summer Research Assignment award. Faculty Development Program, The Univ. of Texas at Austin.

1996	Tinker Foundation travel grant, Institute of Latin American Studies, Univ. of North Carolina, for fieldwork in Bolivia (\$1,877).
1996	Williamson Course Development grant, Univ. of North Carolina (\$2,000).
1996	Univ. of North Carolina University, Research Council award (\$3,000).
1995	Univ. of North Carolina, Arts and Sciences Foundation (\$1,500).
1988	Whatcom Museum Foundation, Jacobs Fund; fieldwork on Tübatulabal (\$1,200).
1987	American Philosophical Society, Phillips Funds; fieldwork on Panamint (\$1,000).

## COURSES TAUGHT

Graduate level (course names have varied at different institutions)

- Phonology 1 (Yale University, core course, U. of North Carolina at Chapel Hill, U. of Texas at Austin)
- Phonology 2 (Yale University, core course, U. of North Carolina at Chapel Hill, U. of Texas at Austin)
- Phonetics (core course, U. of Texas at Austin)
- Various graduate seminars in phonology on the topic of prosody
- Teaching instruction course for new Teaching Assistants (required course, U. of Texas at Austin)
- Introductory phonology for nonlinguists (U. of Texas at Austin)

Undergraduate level (These names identify courses have varied at different institutions)

- Introduction to linguistics (Yale University, U. of North Carolina at Chapel Hill, U. of Texas at Austin)
  - Undergraduate phonology (core course for linguistics majors; U. of North Carolina at Chapel Hill, U. of Texas at Austin)
