Nov 12, 2016 - F*ck that! I ain't going out like that!" I said to myself. I made an appointment with *Dr. Juliet E. K. Walker*.

Almost thirty years later, I draw from the well of things I learned in Dr. Juliet E. K. Walker's class and continue to pass those lessons on to my children. It was the hardest and most profound class I've ever had and Dr. Juliet E. K. Walker was one of the most challenging and best teachers I've ever had. She taught me about myself in more ways than one. (Thank you Dr. Juliet E. K. Walker.)
