Graduate Portfolio in Digital Studies
Faculty Supervisor's Evaluation of the Student's Practicum

Student's name: ____________________________________________

5 = far exceeded expectations
4 = exceeded expectations
3 = met expectations
2 = was below expectations
1 = was far below expectations

The finished project was in line with the terms of the letter of agreement or subsequent negotiated changes.
___1 ___2 ___3 ___4 ___5

The finished project reflected quality work.
___1 ___2 ___3 ___4 ___5

The finished project notably advanced the student's own research project/the research project supervised by myself.
___1 ___2 ___3 ___4 ___5

What pleased me about this project and the student's performance:
Areas in which the student struggled (if any); things the student might have done differently:

Additional comments about this project, or recommendations that might help to improve the practicum for faculty supervisors and/or students:
