- Senior
- Grad student
- Alum

Major/Degree:

Total Hours/Academic Credits:

GPA:

Graduation month/year:

Please list any relevant coursework (English, Rhetoric, Theatre, etc.) you have taken and instructors.

Please list any experience studying, performing, reading, or seeing Shakespeare (if it's almost none, that's fine!).

What interests or excites you about the Shakespeare at Winedale Program? (please answer in 300-500 words)

What would you most hope to learn (about yourself, Shakespeare, literature, theatre, and/or anything else) by doing Shakespeare at Winedale? (300-500 words)

Every Winedaler will perform on stage. But there are many things that happen behind the scenes to make the performances possible. How would you contribute to the Winedale community beyond your participation as an actor in the class performances? This is a great time to let us know about other expertise (theatrical or otherwise) that you would bring to Winedale! *This can include: stage design (costumes, set, sound, props, and other crafting), choreography, music arranging and instrument playing, stage management, dramaturgy (researching plays and their settings), event planning, publicity (including photography and social media), woodworking, and fluency in Spanish or American Sign Language. But we may also need skills like: drawing, bird identification, CPR and First Aid, floral arrangements, juggling, acrobatics, yoga...you name it, and I bet we'll find a use for it out there!*

How did you hear about Shakespeare at Winedale?

Please give the name (first and last) of a reference. This should be someone who has worked with you in a mentorship capacity in the past two years, like a teacher, a professor, a coach, a camp counselor, etc.

In a few words, please describe your relationship to your mentor.

Please give us the email address for this reference.

Is there anything else you would like us to know?

Thank you for your interest in Shakespeare at Winedale!
